7/3/2023

It is my happy desire to announce that as of Sunday 5th March 2023, THE INCLUSIVE SACRAMENTAL CHURCH OF CHRIST (TISCC), did join ACOA to become an Order within the Australian Church of Antioch.

This order shall be autonomous in its entirety Subject to the Constitution of ACOA.

The Presiding Archbishop of this order is Archbishop Harry Aveling (late of LCCI) who brings with him another Archbishop (David Jones) who will take care of the Queensland area.

Both ++Harry and ++David bring with them their Clergy of Priests and Deacons.

We look forward to a long and harmonious relationship between us with the understanding of each other's minor differences in ritual, but as one in the endeavor follow the example of our Christed Lord.

Blessings upon you all in the Christ Name

+++Frank
